

Odour Digester

Perfumed Enzyme Carpet Deodoriser

NW: 11190

Directions Spray directly onto the area affected. Product does not foam, allow the liquid to penetrate. Ensure the treated area is wet though not saturated. Leave to dry out, the area will be cleaned during a period of around 36 hours. Do not use in conjunction with antibacterial products.

Composition	A unique biologically active formulation containing specialised bacterial strains and biodegradable cleaners
Appearance	Opaque Liquid
Colour	Milky White
Fragrance	Lemon
Density	0.999
pH	8
Stability	Two years in unopened containers

Environmental Profile

All surfactants contained in **Clean and Clever** products meet the requirements of the EU Detergent Directive 2005 – 2004/648/EC. This requires all surfactants to break down both quickly and completely into harmless material such as CO₂ and water.

Nationwide[®]
HYGIENE GROUP

Description of Product

Penetrates underneath the surface of the carpet to remove the source of odours from carpet backing and underlay. Replaces household bacteria that produce ammonia as a waste product. Biodegrades urine into CO₂ and water. Lemon perfume for instant reodorisation before the bacteria start working. Totally out performs all detergent alternatives.
