

# TASKI® Jontec Asset

Neutral floor cleaner

## Description

Neutral cleaner for all water-resistant hard floors. It's neutral formulation combined with special blend of detergents makes it very efficient for cleaning or spray cleaning all major types of unprotected and protected floors.

## Key properties

- pH-neutral
- Blend of different types of surfactants
- Versatile application
- Incorporates O.N.T. odor neutralising technology
- Safe use on sport floors

## Benefits

- Suitable for all types of water resistant hard floors, protected or not
- Very economical thanks to excellent cleaning performance at low dosages
- Ideal for mop application or spray cleaning with single disc machines
- Also suitable for scrubber drier application
- The O.N.T. technology destroys malodour molecules and therefore enhances the fresh apple fragrance
- Safe to be use on the sport flooring (Tested & Approved by the MPA Stuttgart University)

## Use Instructions

### Dosage:

TASKI Jontec Asset needs to be dilute. For detailed information regarding the dosing, please refer to the technical data table. Proper dosage saves costs and minimises environmental impact.

### Application

#### Manual:

- Dose the product into a bucket filled with water, apply the solution, allow to act if necessary, and remove the soiled solution

#### Spray cleaning:

- Single disc machine, equipped with spray device and red pad
- Dose the product into the spray device and spray clean the floor

#### Machine:

- Dose the product into the full water tank of a single disc machine or scrubber drier, apply the solution, scrub and remove the soiled solution
