Using...

1a

Cleaner Shiner
Dilute: 450ml into 5L water.
Use this dilution when the floor's shine needs rebuilding.

or 1b

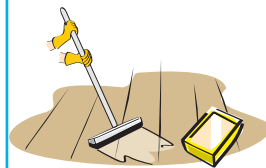

Maintainer
Dilute: 160ml into 5L water.
Use this dilution when the floor needs damp mopping.

2

Apply solution using mop.
Allow to dry.

1

Polish
Apply Carefree Mop & Shine undiluted to a clean polish free floor using a mop or applicator.

2

Allow to dry for 30 minutes.

3

Reapply a second coat when the floor is dry.
