

Cif Professional Oxy-Gel All Purpose Cleaner Ocean

Active micro-bubbles lift dirt easily and quickly

Product description

Cif Professional Oxy-Gel Ocean is a detergent for floors and washable, surfaces. During use, the active oxygen develops micro-bubbles, which help in lifting up the dirt, and the gel removes it easily and quickly. The result: Deep down cleanliness and purity you can feel.

Features

- Contains Active Oxygen
- Lifts dirt easily

Benefits

- No need to rinse

Pro Formula

The Pro Formula product range combines the familiarity of a recognised brand with the cleaning power needed for the demands of a business. Those demands can often cost a business valuable time and if not addressed correctly can cost a business its reputation and customer base.

Our Pro Formula products utilise over 50 years professional cleaning knowledge and experience from Diversey with one of the world leading laundry and surface cleaning consumer goods brands.

The range consists of products which target the truly professional business needs with professional formulations and in addition have the backup resources from Diversey through an end user portal.

By giving you excellent cleaning results first time, every time, you can have the time and peace of mind to be able to focus on your core business such as serving your customers or caring for your residents.

One step closer to getting you ready for business.

Cif Professional Oxy-Gel All Purpose Cleaner Ocean

Application

Floors and washable surfaces

Directions of use

Can be used in a bucket for large surfaces. The gel immediately dissolves into the water. No need to rinse.
For small surfaces and difficult dirt, pour Cif Professional Oxy-Gel on a wet sponge or directly on the surface.
Let the gel act a few seconds and then wipe away with a wet sponge.

To dilute into a 750 ml trigger bottle, dose 15 ml

To dilute into an 8L bucket, dose 80–160 ml
