| 07/02/2019                             | EN (Englich) 2/9  |
|--|---|
| Symptoms/injuries after eye contact    | : Serious damage to eyes.   |
| Symptoms/injuries after skin contact   | : Irritation.   |
| Symptoms/injuries after inhalation     | : None under normal use.  |
| Symptoms/injuries                      | : Not expected to present a significant hazard under anticipated conditions of normal use.  |
| 4.2. Most important symptoms and       | effects, both acute and delayed   |
| First-aid measures after ingestion     | : Never give anything by mouth to an unconscious person. Drink plenty of water. Do not induce vomiting. Call a POISON CENTER or doctor/physician if you feel unwell.  |
| First-aid measures after eye contact   | : Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a physician immediately.  |
| First-aid measures after skin contact  | : Wash skin with plenty of water. Take off contaminated clothing. If skin irritation occurs: Get medical advice/attention.  |
| First-aid measures after inhalation    | : Remove person to fresh air and keep comfortable for breathing.  |
| First-aid measures general             | : If you feel unwell, seek medical advice (show the label where possible).  |
| 4.1. Description of first aid measured | es estatution estatu |
| SECTION 4: First aid measures          |   |

## Safety Data Sheet

| Caloty Data Check                                |   |
|--|---|
| according to Regulation (EU) 2015/830            |   |
| Symptoms/injuries after ingestion                | : May cause irritation to the digestive tract.  |
| 4.3. Indication of any immediate medica          | al attention and special treatment needed   |
| Treat symptomatically.                           |   |
| SECTION 5: Firefighting measures                 |   |
| 5.1. Extinguishing media                         |   |
| Suitable extinguishing media                     | : The product is not flammable. Use extinguishing agent suitable for surrounding fire. Water spray. Dry powder. Foam.                                       |
| 5.2. Special hazards arising from the su         | ubstance or mixture   |
| Fire hazard                                      | : Not flammable.  |
| Explosion hazard                                 | : Product is not explosive.   |
| Hazardous decomposition products in case of fire | : Toxic fumes may be released.  |
| 5.3. Advice for firefighters                     |   |
| Firefighting instructions                        | : Exercise caution when fighting any chemical fire.   |
| Protection during firefighting                   | : Do not attempt to take action without suitable protective equipment. Self-contained breathing apparatus. Complete protective clothing.                    |
| SECTION 6: Accidental release mea                | sures   |
| 6.1. Personal precautions, protective ed         | quipment and emergency procedures   |
| 6.1.1. For non-emergency personnel               |   |
| Emergency procedures                             | : Ventilate spillage area. Avoid contact with skin and eyes.  |
| 6.1.2. For emergency responders                  |   |
| Protective equipment                             | : Do not attempt to take action without suitable protective equipment. For further information refer to section 8: "Exposure controls/personal protection". |
| 6.2. Environmental precautions                   |   |
| Avoid release to the environment.                |   |
| 6.3. Methods and material for containm           | ent and cleaning up   |
| Methods for cleaning up                          | : Recover mechanically the product. Collect spillage.   |
| Other information                                | : Dispose of materials or solid residues at an authorized site.   |
| 6.4. Reference to other sections                 |   |
|  | urther information refer to section 8: "Exposure controls/personal protection".   |
| SECTION 7: Handling and storage                  |   |
| 7.1. Precautions for safe handling               |   |
| Precautions for safe handling                    | : Ensure good ventilation of the work station. Avoid contact with skin and eyes. Wear personal protective equipment.  |
| Hygiene measures                                 | : Wash contaminated clothing before reuse. Do not eat, drink or smoke when using this product.<br>Always wash hands after handling the product.             |
| 7.2. Conditions for safe storage, includ         | ing any incompatibilities   |
| Technical measures                               | : Does not require any specific or particular technical measures.   |
| Storage conditions                               | : Store in a well-ventilated place. Keep cool.  |
| Special rules on packaging                       | : Keep only in original container.  |
| 7.3. Specific end use(s)                         |   |
| No additional information available              |   |
| SECTION 8: Exposure controls/pers                | sonal protection  |
| 8.1. Control parameters                          |   |
| No additional information available              |   |

No additional information available

### 8.2. Exposure controls

### Appropriate engineering controls:

Ensure good ventilation of the work station.

### Hand protection:

Protective gloves

## Safety Data Sheet

#### according to Regulation (EU) 2015/830

| Туре              | Material                                    | Permeation | Thickness (mm) | Penetration | Standard |
|-------------------|---|------------|----------------|-------------|----------|
| Disposable gloves | Butyl rubber,<br>Polyvinylchloride<br>(PVC) |            |                |             |          |

## Eye protection:

Safety glasses

### Skin and body protection:

Wear suitable protective clothing

### **Respiratory protection:**

In case of insufficient ventilation, wear suitable respiratory equipment

#### Environmental exposure controls:

Avoid release to the environment.

| SECTION 9: Physical and chemical properties                |                                    |  |
|--|------------------------------------|--|
| 9.1. Information on basic physical and chemical properties |                                    |  |
| Physical state   | : Solid                            |  |
| Appearance   | : Yellow solid.                    |  |
| Colour   | : Yellow.                          |  |
| Odour  | : lemon odour.                     |  |
| Odour threshold  | : No data available                |  |
| рН   | : No data available                |  |
| pH solution  | : 8 (≤ 1) %                        |  |
| Relative evaporation rate (butyl acetate=1)                | : No data available                |  |
| Melting point  | : No data available                |  |
| Freezing point   | : Not applicable                   |  |
| Boiling point  | : No data available                |  |
| Flash point  | : Not applicable                   |  |
| Auto-ignition temperature                                  | : Not applicable                   |  |
| Decomposition temperature                                  | : No data available                |  |
| Flammability (solid, gas)                                  | : Non flammable.                   |  |
| Vapour pressure  | : No data available                |  |
| Relative vapour density at 20 °C                           | : No data available                |  |
| Relative density   | : Not applicable                   |  |
| Solubility   | : Soluble in water.                |  |
| Log Pow  | : No data available                |  |

| SECTIO | DN 10: Stability and reactivity |
|--------|---------------------------------|
| 10.1.  | Reactivity                      |

The product is non-reactive under normal conditions of use, storage and transport.

### 10.2. Chemical stability

Stable under normal conditions.

# Safety Data Sheet

ulation (ELI) 2015/830 D . الم a

| according to Regulation (EU) 2015/830                        |  |  |
|--|--|--|
| 10.3. Possibility of hazardous reactions                     |  |  |
| No dangerous reactions known under normal conditions of use. |  |  |
| 10.4. Conditions to avoid                                    |  |  |
| None under recommended storage and handling of               | conditions (see section 7)   |  |
|  |  |  |
| 10.5. Incompatible materials                                 |  |  |
| Strong bases. Strong acids.                                  |  |  |

### 14.6. Special precautions for user

- Overland transport

Not applicable

- Transport by sea Not applicable

- Air transport

Not applicable

## Safety Data Sheet

according to Regulation (EU) 2015/830

- Inland waterway transport

Not applicable

- Rail transport

#### Not applicable

14.7. Transport in bulk according to Annex II of MARPOL and the IBC Code

Not applicable

### SECTION 15: Regulatory information

15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

#### 15.1.1. EU-Regulations

Contains no REACH substances with Annex XVII restrictions Contains no substance on the REACH candidate list Contains no REACH Annex XIV substances

### 15.1.2. National regulations

No additional information available

### 15.2. Chemical safety assessment

No chemical safety assessment has been carried out

## SECTION 16: Other information

Changes from Previous version:

- UFI number added in section 1.1
- P-Statements added in Section 2.2

Change to Detergent Regulation: Labelling of contents in section 2.2
